New Tomb Raider Game 2019 Movie They May Loading By Miranda Sanchez Updated: 16 Mar 2018 5:20 pm Posted: 16 Mar 2018 7:01 am The newest iteration of Lara Crofts origin story, Tomb Raider, borrows heavily from the 2013 video game reboot but severely deviates from its story, characters, and, surprisingly, Lara.. His reputation went down the drain when he started to look for rituals for resurrection after his wife passed away.. Lara was an archeologist Though Lara still rejected her inheritance in the video game version of Tomb Raider, she still went to school, worked odd jobs to support herself, and became an archaeologist.

Laras father was an archeologist Unlike in the film, Laras father was a successful and popular archaeologist.. Lara was invited on an expedition to Yamatai With Richard Croft mostly out of the picture in the game, Lara has an entirely different motive for going to Yamatai in Tomb Raider.. In the movie, her father was seemingly absent for most of her childhood while he looked for Himikos secrets.. James Whitman whose looking for his hopeful comeback to stardom Laras best friend, Samantha Nishimura, was tasked with recording their adventure, and her family helped fund the trip. Instead of spending years looking for her tomb like Trinity does in the movie, they were looking for young women to put through a deadly fire ritual to see if the womans body was a fit for Himikos soul.. Following the incident, family friend Conrad Roth took Lara in his care and she was estranged from the estate that point forward.. They worked together in the video game to survive the island, save Sam from a cult, and find a way home.. She learned her survival skills from her guardian, Conrad Roth In the movie, Lara chose not to go to university and instead works as a courier.. She grows too attached to the Croft family and another Trinity agent is assigned to finish the job. ae05505a44 [Font Wanted Poster One Piece](#)
